

MASUD HOSSAIN

PROFILE

I'm Masud Hossain

I am a hardworking and ambitious individual with a great passion for the computer and hacking. I am currently in my second year of studying Computing and Information system at Daffodil International University. I have excellent Computing skills, enabling me to effectively communicate with a world wide range of people. I am seeing a parttime position in the Cybersecurity Company in which I can put into practice my knowledge and experience, ultimately benefiting the operations of the organisation that I workfor.
